SERVICE PARTNERS

A NETWORK YOU CAN TRUST

Your home is more than a place; it's your biggest investment, your private retreat and the place where you can connect with loved ones. That's why you deserve a network of home maintenance professionals you can trust.

I'd like to refer any of these local vendors for your home care needs. This list is not comprehensive, but it's a great place to start your search for a reliable service provider. I encourage you to reach out to these providers, compare services and prices, and find one who's the right match for you.

Homeowners are responsible for researching to their own satisfaction the qualifications and background of vendors. The Washington State Department of Labor and Industries maintains a publicly accessible database on contractors. Other state agencies such as the Washington Department of Licensing maintain databases for many other licensed professionals. Although Windermere brokers may assist homeowners with locating and selecting third party vendors, such as inspectors or contractors, Windermere cannot guarantee or be responsible for the services provided by those third party vendors.
